EAGLES BENEFIT DANCE

NETS RED CROSS \$125

When the Eagles balanced accounts yesterday they found that they had cleared \$125 at their Red Cross benefit dance last Wednesday evening. This is a very substantial sum and the Eagles have every reason to be proud of their entertainment.

Because of the kindly thought and arduous labor of this organization, the Red Cross will shortly be in possession of several knitting machines. The first pair of socks made by one of these machines will be presented to the Eagles and will be placed by them in a conspicuous place in their lodge rooms.

DEATH OF AL. HOOPER

FORMERLY OF TONOPAH

He removed to the coast last September and died yesterday morning at 10 o'clock. Deceased was a member of the Eagles and about 35 years of age. His old associates in Tonopah wired a florist to send a floral piece in the name of the Tonopah boys.

NEWHOUSE WILL SPEND FOUR DAYS EXAMMING TYBO PROPERTY

Samuel Newhouse, the Utah mining magnate, who arrived yesterday from the coast, left in the afternoon for Tybo where he will spend three or four days with the intention of making an exhaustive examination of the Louisiana Consolidated property, in which he has acquired a large interest. The papers for the transaction are being drawn up in New York, where the headquarters of the Louisiana Consolidated are maintained, and it is expected that the deal will be consummated before Mr. Newhouse returns home.

The visitor is more enthusiastic than ever over his impending purchase and expresses himself confident that the Tybo will be one of the greatest if not the greatest mine in Nevada. In conversation with a

AMUSEMENTS

REAL CAMP SCENES

Many of the most vital scenes of the Metro picture, "Her Boy," starring Effie Shannon and Niles Welch, which will be one of the attractions at the Butler in today's program, were staged at Camp Joseph Johnston, near Jacksonville, Florida, where scenes of real army camp life were secured. At one of the most picturesque spots in the cantonment, on the banks of the St. John's river, these scenes were staged. About the tents, real soldier-actors swapped stories, sang lusty songs, or assumed the roles of recruits. They played their roles well, too, for they were playing to their dear ones, who might later on see the picture. Everything was realistic. "Her Boy" is a great patriotic screen drama which shows how the war comes home to the hearts and families. The situations and developments are vitally dramatic and surprising. As an added attraction, a two-reel Mack Sennett comedy, "Watch Your Neighbor"—and it is some comedy.

Tomorrow, Lew Fields and Madge Evans, in "The Corner Grocer," and Wm. Duncan and Carol Holloway, in "Vengeance and the Woman."

NuBone corsets are better corsets. They have all of style that can be asked for—being made to measure—fit perfectly and easily. Boned with NuBone stays, which bend edgewise as easily as flatwise, they afford entire freedom and comfort. The stay will not twist to turn a sharp edge against the body or give an end thrust to break through the corset fabric. Cross Ave., near St. Patrick.

husband and make her future home owing to the state of Mr. DeCoursey's health, which precludes living at this altitude.

MRS. TINNEY, mother of Mrs. Ross Gavin and Mrs. Frank Laws was an arrival from Silver City this morning.

CHARLES CHRIST, an engineer representing one of the Nebraska potash syndicates, is here, commissioned to report on the potash contents of the dry lake near Silver Peak.
